

The Wesley Hospital Kim Walters Choices Program

Choices For Women with Secondary Cancers

Creative Memories: Scrapbooking

There are memories in your life worth keeping and sharing - photos, stories, thoughts, mementos and scrapbooking can help you do that. Scrapbooking is a hobby that has been growing in popularity over the last few years with the aim to preserving memories in a unique and creative way.

Instead of just placing photographs in a photo album, scrapbooking helps you capture the feeling and the mood associated with your memories. When you look at a page in a photo album, you see just a few photographs but when you enjoy the pages of a well-executed scrapbook, you can be transported to a different time.

Jenny Clifford is an experienced scrapbooker and understands breast cancer through her own experience. Please take advantage of another opportunity to meet other women and make new friends - and learn new skills as well.

DATE: MONDAY 3 OCTOBER
TIME: 10AM TO 12PM
PLACE: CHOICES ROOMS, WESLEY HOSPITAL

For more information and to let us know whether you are coming to the group you can Phone 3232 7596 or 3232 7064 or email leonie.young@uhealth.com.au

DIRECTIONS TO THE CHOICES ROOMS:

- The Choices Rooms are located near the Chasley Street entry, on the Coronation Drive side of the hospital. The Chasley Street entry is now marked “No Entry” and all traffic through the hospital is one way.
- Go to the hospital carpark and instead of driving straight ahead into the carpark, turn left.
- There is a boom gate on the right just after the pedestrian crossing near the carpark. Press the button and tell them you are going to Choices
- Follow the roadway around to the left – this is leading back around to the front of the hospital to Coronation Drive and the river.
- The Choices Rooms are just past the old homestead, Moorlands House. You will recognise the Choices Rooms by a large wooden ramp leading up to the Rooms.
- If you park in the street or come by train, there are steps leading directly up to the Rooms near the Chasley Street entry
- If you park in the hospital carpark, we will pay for your parking. The hospital reception will give you printed instructions to find us
